- 25kg bag, natural pureness table salt from the Dead Sea, "coarse-grained"

From time immemorial valuable minerals and trace elements become added to the Dead Sea by numerously subterranean resources and by the Jordan. The Salt of the Kings

Queen Cleopatra, King David and many other famous personalities in antiquity already knew about the exceptional properties of the Dead Sea and its salt. It was transported by Bedouins on the old caravan routes to all centres of civilization.

Until today people all over the world appreciate the assets of the Dead Sea salt.

The TMO Salt owns the only facility of extracting natural table salt and bath salts at the Dead Sea. The packaging of the salt is firsthand and absolutely untreated. Based on this method of production we can guarantee 100% natural pureness.
